

# Farncombe Cricket Club

We are a local club providing a friendly environment for all children to play cricket.

We are always looking for children who would like to play cricket, who are not already playing for a club.

Year 3 and above, both girls and boys, sometimes Year 2.

We are not elite, but a community club with a state school focus.

Our indoor practice commences at Broadwater School on Sunday 27<sup>th</sup> February from 5pm.

## Summer Practice

Friday evening practice starting at 6:30 pm from April to the end of the summer.

At Broadwater Park, Summers Road, Farncombe

Our club house facilities are open whilst the children practice and play.

Coaching is provided by ECB qualified coaches. We have ClubMark status providing a safe hands environment for children to play cricket.
