

Busbridge C of E Junior School - Curriculum Information
Year 3 2024 25

Homework: Your child will be given a grid with different homework activities. We ask them to choose two a week to complete in their Homework Book. By colouring in the activity and dating it, we will know which activities they have completed. The children will be asked to hand their books in each Monday so that we can see how they are getting on.

PE Days:

Monday - Indoor PE.

Wednesday - Outdoor PE. For outdoor PE in the winter months, please ensure that your child has a tracksuit.

On P.E days please send your child to school wearing their PE kits.

Planned trips:

Autumn term – Buster ancient farm – An opportunity to explore the Iron Age, Stone Age and Roman period through some hands on activities.

Spring term – Roman Day! We invite the Rainbow Theatre company in to school and the children come dressed in Roman or Celt clothing to take part in an interactive workshop.

Summer Term – Whole school beach day.

	Autumn	Spring	Summer

MFL	Christmas Cards!	Numbers 1 – 10 Greetings Classroom instructions Names Age Easter cards	Colours Fruit Days of the week Months of the year

Ways in which you can help your child:

Reading with your child as often as possible! This can be you modelling good reading habits to them, giving children the opportunity to read and discuss a text with you or simply a time to enjoy some good quality time together reading for pleasure. Helping your child to develop good homework habits is invaluable at this stage in their education. Setting aside a regular time for homework, encouraging children to 'have a go' at their work independently but also being there to support them when needed.
