SPONSORED BIKE RIDE

Saturday 18th June

Cycle to Cranleigh on the old train track

May need marshals to help cross the A281 and be on the route with first aid kits, puncture repair kits and support

If the route or date is not possible for all, children and families are encouraged to be sponsored for the equivalent distance at a time that suits them

One idea is to select a few well-known landmarks and locations and get the school community enthusiastic as to how far the sponsored bike ride could hypothetically travel to. Each child's and adult's miles can be combined at the end to see what the cumulative distance is and how far around the world the school has travelled
