WELCOME TO The Pantry

ThePantryCatering.co.uk

We started off as a small sandwich shop in 2006, perched on a small West London High Street. Slowly but surely, we started to build our reputation, not just for our fantastic food, but for treating our customers and staff fantastically, too!

And once we started catering for Schools just like yours, our business grew and grew - and now, we manage over 180 Schools across England, as one of the largest independently-owned caterers in the country.

That's because we still take care of the things that really matter - every menu we serve is nutritionally-balanced, filling, and appetising. Most of all, it's full of food that you really want to eat, and we'll always work with you and the School to make sure every mealtime is marvellous!

All The Pantry's ingredients come from the very best suppliers, with industry standard accreditations and clear journeys from farm to fork - so you know your meals will be well-made, well-sourced, and truly sustainable!

And there's many more reasons to book a lunch with The Pantry:

* Every menu is comprised of over 75% freshly-prepared ingredients
* Every meal includes two portions of vegetables as a side dish and handmade bread freshly-prepared each day!
* Unlimited visits to the Salad Bar, featuring 7 Salad staples, and a Seasonal Special Salad each month!
* Our special recipe Pantry Tomato Sauce, which is used in many of our dishes, contains 6 hidden herbs and veggies – supercharging your School lunches with the nutrients you need to support growth and development
* Our freshly-baked desserts contain 50% fruits or veggies – and they still taste like a treat!
