Wednesday 10th July 2024

Dear Parents and Carers,

Each year, we aim to provide a broad range of extra-curricular activities and clubs that the children can access. We send out a clubs list prior to the start of each term in the hope that this can help with childcare and future planning. Further clubs may be added as the year progresses - and as a parent if you fancy running a club, please do get in touch!

Please find attached details of the after school clubs that are happening in the Autumn Term 2024. There is also an electronic version of this list on our school website (under 'Pupils & Learning' / 'Clubs').

All clubs start in the first full week of term, the week commencing 9th September. Most of the clubs are able to run until the last week of the school term but **please do check the dates on the list carefully as some club dates do vary.**

If your child wishes to attend a paid club, and you would like to talk about financial support for this, please do not hesitate to contact myself, or Mr Catchpole, in confidence. Our club provision is inclusive and open to all children; we would not want finances to be a barrier for any child wishing to take part.

As in previous years, a number of clubs are also run during the school day which children do not need to sign up for. These are:

- Year 6 Prefect led clubs – these will be on offer for children in the lower school and will be a mixture of sporting, construction and art based activities. These are run by Year 6 Prefects and supervised by school staff.
- Sporting activities – our Sports team of Bill Bingham and Claire Parsons will continue to lead sports based activities for different year groups each day at lunchtimes. There is no need to sign up; children can just turn up. Over the term we often focus on specific cohorts (e.g. Y3 girls, Y4 boys).
- The Nurture room – a quiet space for children who don't always want to be part of the hustle and bustle of the playground. This is based in the Learning Lab where there will be jigsaws, colouring and comics for children to access as and when they choose.
- Hall Club – this is an opportunity to use some of our indoor equipment and play games such as table tennis, ten pin bowling and to use the scooters. Each year group will have the option to attend Hall Club one day a week.
- Homework Club – this will be a drop-in club where children can come and ask for help with their homework.

If you have any questions about any of the above, or you would like to talk about financial support to help access a club, then please do not hesitate to get in touch.

Kind regards

Mrs Rachel Barker

Deputy Headteacher (rbarker@busbridge-junior.surrey.sch.uk)
